# **Pennant Selection Process**

A nomination form will be displayed on the notice board a minimum of two (3) months prior to the first match players who nominate **must** be available for all trials and matches.

The (MAG) will appoint a Captain for each division. The Captain will be responsible for arranging trials and collecting player statistics.

The final selection of each team will be the responsibility of the (MAG) with input from each Captain. The naming of the players shall be no later than 2 weeks prior to the first match. This should be in the form of a formal presentation along with an official function.

The following selection formulas will be used to assist in the selection process.

The formulas are based in the areas of player's club form, handicap eligibility, matchplay ability & commitment.

(The objective is to obtain the maximum points from each criteria.)

At the end of the trials all points will be tallied and used to support the selection process.
